ALL individuals who qualify for DDA services are eligible for our technology classes, even those on the "no paid services" list. Those who receive respite funding must use respite hours for group classes or camps. Those who qualify for DDA but do NOT qualify for respite (including, but not limited to, those who do not qualify for any other paid services) can take our technology camps and classes under the scholarship (cooking and art class excluded)! In addition, all DDA eligible participants, regardless of respite status, will qualify for 1:1 instruction sessions. A limited number of these scholarships are available for group classes, camps and 1:1 sessions ... awarded on a "first come" basis. Cash price is \$21.50 per hour of class.*
